AL JAREEF ELEVATOR

We AL JAREEF ELEVATOR, one of the best elevator companies in UAE with people having experience more than 10 years. We have got experienced team with full knowledge of design, supply, erection, testing and commissioning of elevators and escalators.

We are taking up the job of design, supply, erection, testing and commissioning lifts. We provide **Two-years free maintenance** to our products as good gesture. After completion of free maintenance period we are ready to take up annual maintenance contract of elevators at reasonable rates (**lowest AED 3000/YEAR**). Our scheduled service ensures to perform our products to its highest efficiency. We are also undertaking the modernization, renovation of existing lifts as per desire of customer and ready to enter into AMC of any lifts.

EXPERIENCE, PROFICIENCY AND EXCELLENCE:

With professional managing highly trained technocrats supervising the operations of marketing, installation, maintenance, modernization business of Elevators and Escalators. The team has excelled to meet ultra-modern demand on product as well service challenges in view to achieve the goal of company. It also aims at cost effective, dependable service, reliable product and brand image.

Al JAREEF Elevator provides the Elevator as perfect travelling companion, handsome and hardworking for smooth operations, always modest, what customer expects we conceive the same with a team of highly experienced in the field. The team with a passion to serve the customer leaves a long lasting impression to customer's dream project.

OUR PRODUCTS AND SERVICES

ELEVATOR SUPPLY

The company has rich product varieties. We can satisfy diverse requirement from various users. The product scope covers Passenger Elevator, Observation Elevator, Bed Elevator, Freight Elevator, Small machine room Elevator, Machine room less elevator, Home/villa Elevator, Cargo Elevator, dumbwaiter, Escalator and moving walk.

BRANDS WE SUPPLY

RENOVATION/MODERNIZATION

Despite all the services and safety checks, your lift could still break down due to wear & tear, obsolesce, changing use and or aesthetic needs may mean that despite regular car, improvements are called for Al JAREEF Elevator Modernization Department will be able to advice on both technical upgrading or improving the appearance of the lift at any time. Our control system can usually be incorporated in most types of existing lifts, whether our make or not. This will improve traffic handling and reduce waiting time, thereby greatly improving efficiency. Lift modernization is an ideal opportunity to change the drive & control system to reduce the electricity consumption of the lift.

New finishes available can also make the lift car and entrances more attractive. Such updating can enhance the value of the building and the potential rental income, or just to improve the environment ambience & image of your building or business.

ELEVATOR MAINTENANCE

In accordance with the Occupational Health & Safety Act all elevator products must be maintained at regular intervals. These intervals vary depending on the type of unit installed.

Maintenance is essential to reliable elevator systems and protecting your investment.

Preventive maintenance is part of having elevator systems that operate smoothly, quietly and within the designed operating specifications.

Al JAREEF Elevator services all types, brands, and ages of elevator equipment.

Our maintenance technicians are very experienced and highly trained to execute a rigid maintenance program designed for your elevators.

We service some proprietary elevator equipment that other companies cannot .

Our Mission is to provide high quality elevator and escalator installation and solutions to our customer with our experienced team. We promote an Incident free work environment through the use of our behaviour based safety culture training and proactive assessment of hazards and risks. We would like to create an Interdependent workplace culture through Respect, Empowerment and Trust in our employees.

Our vision is to be partner of choice for anyone needing to install, modernize elevators in more sustainable and more comfortable way.

OUR VALUES

Our Values define what we believe in as a company and as employees. It is our fundamental belief that guides us to realize our vision.

SAFETY FIRST

Safety is our highest priority and may never be compromised.

ENVIRONMENT

We focus on the environment in all of our business activities, both onshore and offshore.

COMPLIANCE

We always comply with laws and regulations and work to serve our clients and stakeholders.

RELIABILITY

We are a reliable partner in all aspects of our business — being trustworthy is paramount for us.

INNOVATION

We proactively explore new territory to benefit both our clients and our company.
